Instructions for Use

This form may be used if the Court has entered an Order Denying Confirmation of Plan for Failure to Comply with Local Bankruptcy Rule 3015-1 or Other Rules of Bankruptcy Procedure, requiring debtor/counsel to file and serve a plan and a new notice of confirmation hearing with a self-selected confirmation hearing date. The blanks are to be filled in as follows:

1. The objection deadline must be a date *at least twenty eight (28) days* from the date the notice and plan are mailed. *The original objection deadline set forth in the Notice of Meeting of Creditors may be used if such deadline is at least twenty eight days from the date this notice is mailed.*
2. The date of the plan is the filing date of whichever version of the chapter 13 plan Debtor is mailing to parties with this notice. If the plan is an amended plan, the notice should reflect which amended plan is being noticed - Amended, Second Amended, etc. . . .
3. Select a confirmation hearing date far enough in the future to allow for sufficient notice and opportunity to object, as well as time to comply with the meet and confer and certification requirements. *If there is sufficient time to provide the required notice, Debtor may select the original confirmation hearing date set by the Notice of Meeting of Creditors in his/her case.*
4. The correct conference bridge telephone number can be obtained from the Court's Case Manager at 720-904-7379.
5. The meet and confer deadline is seven (7) days after the deadline for objections to the plan, or, if the original objection deadline and confirmation hearing date are being used, seven (7) days prior to the hearing on confirmation.
6. The deadline for filing the Certificate and Motion to Determine Notice is four (4) court days before the hearing on confirmation.
